

FAMILY CHAT

Schedule a time to sit down with your family members and talk about your goals for the future. Use these ideas to guide your discussion:

- Explain your career goals and ask your family for ideas.
- Identify 3 things you can do now to work towards your goals.
- Let your family know what you need to help reach your goals.

After your family chat, answer the questions below.

1. What goals or ideas did you share with your family? _____

2. What goals or ideas did your family suggest? _____

3. What does your family think about your career goals? _____

4. How will your family help you reach these goals? _____

5. Name 3 things you can do now to work towards your goals.

1. _____
2. _____
3. _____
