1. "I work for the Virginia Department of Transportation. In the winter my job is to keep roads clear of snow and ice. I work long hours when it snows."

2. "I teach people how to ski. I work more on the weekends, but I usually get free ski passes to ski when I am not working."

3. "I work at a ski resort in the food service area. We are especially busy in January and February."

4. "I collect money for ski lift tickets, ski rental, and snowboard rental."

5. "I take care of people that get hurt on the slopes. I have to know how to ski well, drive a snowmobile, and know first aid."

6. "I check in people at resort hotels when they come to ski and spend the night."

7. "In the spring and summer, I work with plants and dirt, but in the winter, I contract to remove snow at churches, shopping malls, and stores."

8. "With just a shovel and a broom, I started my own snow removal business in my neighborhood to earn extra money when I am out of school."
